The artwork was scanned at 300 dpi and sized to wallpaper size.
(cause I don't fit :)) I like walls! :P One half was scanned some time ago
and sized to 1000x666 (which I regret now) the rest is sized to 1024x768
with a few exceptions. I'm sorry to say that I was too lazy to register it all
on my website would also be a loss of time when I'm planning to scan
other Minetura artworks ...? And for your informations, all shipped
pages are variations of page 6 with white or black background
